

CALL FOR PAPERS - POSTER SESSION

(Ce)² Workshop

Warsaw, 1-2 July 2019

Organised by CenEA in cooperation with CeMMAP

Keynote address in the *Lecture Series in Honour of Leonid Hurwicz*:

prof. Jörn-Steffen Pischke

(London School of Economics and Centre for Economic Performance)

The (Ce)² workshop is a joint initiative of the Centre for Economic Analysis (CenEA, Poland) and the Centre for Microdata Methods and Practice (CeMMAP, UK). The sixth edition of the workshop will take place in Warsaw on 1-2 July 2019.

The workshop aims at covering topics in microeconomic theory and applications, and will particularly welcome studies in the following fields:

Microeconomic applications

- Economics of education, skills, and training
- Trade, technology and labor markets
- Identification challenges in applied microeconomics
- Empirical analyses in economic history

Microeconomic theory

- Games: theory and experiments
- Information economics
- Communication and networks
- Voting and mechanism design

Organization:

A Poster Session will be organised as an integral part of this year's Workshop in addition to the regular presentations. The programme for the latter has been finalised and is available on the Workshop's webpage. Topics listed above will be given priority and the total number of posters will not exceed 10. The authors of posters will have ample opportunity to discuss their research with other workshop participants. They will be expected to be present during both days of the workshop.

Procedures:

There is no conference fee but participants are expected to cover their own travel and accommodation costs. Authors will also prepare and print their own posters, size A1 maximum. Online submission of extended abstracts describing the research via ce2@cenea.org.pl closes on 31 May 2019. Notifications are expected by 7 June 2019.
