

POSITION OPEN

International Research in Microeconomics

Centre for Economic Analysis (CenEA) is an independent research institute aiming to provide highest level analysis of consequences of economic and social policy in Poland. Established by the Stockholm Institute of Transition Economics (SITE), CenEA cooperates with research institutes from the Baltic countries and Eastern Europe within the FREE Network.

CenEA has a strong academic focus and is involved in numerous international research and policy projects.

More information on CenEA's activities can be found on our website: www.cenea.org.pl.

Position Open

In 2023 CenEA will recruit a graduate for the **Research Economist** position.

Basic requirements:

- master's degree in social sciences (economics, sociology) or natural sciences
- interest in social and economic policy
- excellent communications and writing skills
- very good knowledge of English

The position offers excellent opportunities for developing research skills and involves working in an international environment within a small team of experienced researchers. CenEA provides a stimulating work environment and supports personal development through international workshops, seminars and training.

A successful candidate will work on a full-time basis as part of CenEA's research team in Szczecin

Applications

To apply for the position send your **CV with a cover letter (in English)** to admin@cenea.org.pl.

Applications should include the following statement: *I hereby declare that I agree for my personal data to be processed for the purpose of the present and future recruitment processes, and my consent was expressed when I sent my application documents. I declare also that I was informed that 1) the administrator of the personal data is the Centre for Economic Analysis CenEA with its office located in Szczecin, 2 Cyfrowa Street, and providing the data is voluntary; 2) the data is used only for the purposes of recruitment, based on the consent to purposes related to legally justified interests of the administrator (article 6 paragraph 1 point a and point f of the GDPR); 3) the right to withdraw the consent is reserved, as well as to object to the processing of the data, to request access to the data, rectification, erasure, restriction of processing of the data and data portability; 4) the data is stored until the consent is withdrawn or an objection is reported; 5) everybody keeps the right to lodge a complaint with a supervisory body, which is the Office for Personal Data Protection in Warsaw.*

The application process is open and suitable candidates will be considered until the position is filled. **First application deadline is 15.09.2023.**

CenEA is an equal opportunities employer.
